**ACKNOWLEDGEMENT AND RELEASE:** An Accident Waiver and Release of Liability is an integral part of this document, and is included with this application. Your application to ride the Ski Bus is not complete until you sign this waiver. If you signed the wavier with your membership application that is sufficient, if not please sign and return the release form with this application.

I have signed the Accident Wavier and Release of Liability with my membership application / renewal.

Attached is the 2019 PPOTHG Ski Bus Schedule. The cost this year for PPOTHG members is \$35/trip for reservations received on or before December 1st. The cost will then increase to \$40/trip for PPOTHG members and guests, who are then invited to join us on our ski bus trips, on a space available basis. Also note on the schedule the Nordic area that has been planned for each trip. If you would prefer a different location it is possible to switch provided it is on our route and all of the Nordic center passengers agree.

Please note that ALL Correspondence regarding cancellations, and/or a desire to transfer your reservation to another trip, or any requests you may have to sell your reserved trips, must ONLY be directly addressed to me! This insures that I will have an accurate, up-to-date attendance list that identifies who will be participating on each of our ski bus trips.

Thanks, Rick Olson

### **Fine Print**

1. We leave promptly at 6:30 a.m. from the Pizza Hut / Safeway parking lot in Old Colorado City. To allow time to board, you should try to arrive no later than 6:15 a.m. (SAFEWAY 3275 West Colorado Ave Colorado Springs, CO 80904) When boarding on our combined Copper / Breckenridge and Keystone / Arapahoe Basin trips, be sure to let our driver know which of the optional resorts you plan to ski that day, as he will be separating the skis to avoid confusion and delay.
2. We leave the ski area promptly at 3:30 p.m. To allow time to board, you should return to the pick-up point (same as the drop-off point) no later than 3:15 p.m. On the combined Copper / Breckenridge and Keystone / Arapahoe Basin trips, the Copper and Arapahoe Basin skiers will leave their ski area at 3:30 p.m. to return to Keystone and Breckenridge to pick up those skiers at approximately 3:45 p.m. and 4:00 p.m. respectively.
3. Skis are transported underneath the bus. IT IS STRONGLY RECOMMENDED, to put your skies and poles in a "**SKI BAG**," to help avoid losing your poles or taking the wrong ones.
4. Please consider the comfort and safety of your fellow skiers. Do not bring anything that is **too large** to fit into the overhead rack or onto the floor under the seat in front of you.
5. The bus will be locked if you want to leave something on the bus while skiing.
6. If you have a last minute emergency and will not be able to join us on the bus, a phone call or text would be greatly appreciated. Rick Olson (719) 216-2138 cell.
7. Payment by check is preferred since it simplifies record keeping and avoids confusion.
8. We make one restroom stop going and coming home. This stop offers a Subway Sandwich Shop and is also a great place to put your boots on. To keep us on schedule, this is intended to be no more than a **15 MINUTE BREAK!**
9. Refunds, if provided, will be based on a formula developed to insure the Ski Bus program covers its costs. However, to be considered for a refund you must cancel your reservation in a timely manner. Just not showing up is unacceptable. If available, refunds will not be provided until the season is concluded.
10. Each season we have a number of people who leave items on the bus or take the wrong stuff home. Please add some form of distinguishing markings to your bag to make it easier to pick out in the dark and double check that you have the right stuff.
